

# June Community Pride Meeting

## Pride in our Community

### Project Safety Net

Community Meeting

June 26, 2019, 3:30-5:30 pm

Cubberley Community Center, Building H: Room H-1

# Mission Statement

Project Safety Net mobilizes community support and resources in Palo Alto for youth suicide prevention and mental wellness. We are a coalition working on community education, outreach, and training; access to quality youth mental health services; and policy advocacy.

# Vision Statement

Young people are empowered, in partnership with the whole community, to advocate for themselves and their peers. Youth suicide is ended. Stigma is non-existent, and high-quality mental health services are culturally-relevant, accessible, and well-utilized. We envision a community where youth and young adults feel safe, supported, and accepted.

*“All young people, regardless of sexual orientation or identity, deserve a safe and supportive environment in which to achieve their full potential”*

~ Harvey Milk
