PROJECT SAFETY NET

COMMUNITY MEETING: Evaluation and Shared Measurement (Roadmap Goal 5)

PSN MISSION

Our mission is to develop and implement an effective, comprehensive **community-based mental health plan** for overall youth well-being in Palo Alto.

The plan includes education, prevention and intervention strategies that together provide a **Safety Net for youth and teens** in Palo Alto, and defines our community's teen suicide prevention efforts.

WELCOME

AGENDA

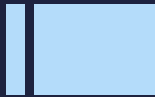

- 3:30 Welcome & Introductions**
- 3:45 PSN Roadmap Goal 5: Evaluation and Shared Measurement Refresher**
- 3:55 County Suicide Prevention Oversight Committee Data Workgroup Update**
- 4:05 Introduction to County Public Health Department Open Data Portal**
- 5:20 Closing and Thank You**

COMMUNITY SHARING

*“Alone we can do so little;
together we can do so much.”*

- Helen Keller

PSN Roadmap Goal 5: Evaluation and Shared Measurement Refresher

Mary C. B. Gloner, MPH, MBA
Executive Director, Project Safety Net

Goal 5: Evaluation and Shared Measurement

- *To measure success, track effectiveness, improve quality and report collaboration's collective progress towards fulfilling its vision and mission*

Goal 5: Evaluation and Shared Measurement Strategies

- **Strategy 5.1:** Develop and implement evaluation plan consisting of a dashboard and benchmarks of key performance indicators across PSN goals
- **Strategy 5.2:** Develop a database system for data collection, analysis, and report generation of PSN dashboard
- **Strategy 5.3:** Coordinate with County of Santa Clara and local research partners in Community Based Participatory Research (CBPR)
- **Strategy 5.4:** Develop and assess a repository of currently available health data measuring youth well-being, behavioral and suicide prevention
- **Strategy 5.5:** Identify gaps in youth mental health and suicide prevention data/health research and develop recommendations to address gaps.
- **Strategy 5.6:** Develop an annual report describing the state of youth well-being, youth suicide prevention, and Project Safety Net in Palo Alto
