Welcome

“One of the most vital ways we sustain ourselves is by building communities of resistance, places where we know we are not alone.”

The collective efforts of Project Safety Net occurs upon the aboriginal homeland of the Tamien Nation, Ramaytush, and Ohlone since time immemorial and recognizes the continued persistence and resilience of culture and community despite the adverse impacts of settler colonialism. The three nations continue to have a relationship with the land; one of deep respect, agreement and reciprocity collaborating to help maintain balance. Project Safety Net acknowledges and supports the Tamien Nation, Ramaytush, and Ohlone in solidarity and commitment to partnership advocating for a more equitable and inclusive future.
